**Subject:** CAASPP--New and Improved TOMS Interface Coming Soon

Dear LEA CAASPP Coordinator:

Based on feedback from coordinators, we are very pleased to announce that the CAASPP Test Operations Management System (TOMS) and ELPAC TOMS have been integrated into a new and improved single instance of TOMS. On **September 3, 2019**, CAASPP functions will be available within the new TOMS!

CAASPP users will continue to access MyTOMS by selecting the [**Test Operations Management System (TOMS)**] button on the [CAASPP Portal](#).

For a preview of highlights of the new interface, refer to the [CAASPP TOMS Screen Mockups web document](#) located on the new [Systems Enhancements](#) web page. Be sure to share this information with site administrators, test examiners, test administrators, and other users to introduce them to the new TOMS interface.

LEA and site coordinators and administrators are recommended to add “ca-assessments@ets.org” to the safe senders list, if this has not already been done. Users will receive TOMS notification messages from this email address.

Questions about TOMS, as well as the 2019–20 CAASPP and ELPAC administrations, should be directed to the California Technical Assistance Center by phone at 800-955-2954 or by email at [caltac@ets.org](mailto:caltac@ets.org).

Sincerely,

California Technical Assistance Center
